The Transformative Power of Technology That's Revolutionising Health and Patient Care

Technology is playing a significant role in driving efficiency in healthcare. Avoira is supporting the industry by partnering with Zebra technologies to enable healthcare providers to enhance delivery and improve patient care.

ZEBRA

Registered **Reseller** 

Avoira understands the Healthcare industry. Mobile devices coupled with our software are an ideal solution for healthcare providers who need to manage patient data securely and in compliance with regulatory requirements.

Avoira are telecommunication solutions provider and a registered reseller of Zebra Technologies. By working in partnership with the healthcare industry to utilise devices and software from Zebra we can enhance patient safety, ensuring the right patient receives the right care, medication and treatment through accurate identification and tracking.

At Avoira, our goal is to bring people together through technology. We believe in creating meaningful conversations, promoting faster business growth, and instilling confidence in communication. With over 40 years of experience, we provide comprehensive and seamless telecom solutions without any technical complexities. Our solutions are customised and tailored to meet our client's unique connectivity needs.

## The Benefits of Working with Avoira and Zebra Technology

#### The Right Patient, The Right Care, The Right Time

Ensure patient safety, reduce errors, and instil confidence with accurate, positive patient identification at every step – from admissions to discharge and every surgery, procedure, or test in-between.

#### Access Everything You Need On-The-Go

Talk, text, and share images instantly and securely. Connect instantly with colleagues, information, and applications you need. Collect and retrieve information, access Electronic Health Records from the palm of your hand. Alleviate alarm fatigue by targeting alerts for a quieter healing environment.

# Real-time data, actionable insights

Turn real-time data into actionable insights with greater visibility into operations and supply chain management. Know what you use to predict what you'll need. Quickly locate staff and critical equipment that goes missing in busy places. Browse our healthcare technology solutions and devices.
