Smart Technology

Bundles for Every

Workspace

Upgrade your set up with our Home, Hybrid, and Office technology bundles, featuring a range of Philips Monitors alongside essential accessories like HP laptops, keyboards, mice, and headsets for seamless productivity.

Home Office Bundle *Work Smarter from Home!*

Working from home requires an efficient and ergonomic setup to stay productive and comfortable. Our Home Office Bundle provides all the essential tools to create a professional workspace from the comfort of your home. Your typical home office bundle might include*:

- ✓ **Philips QHD Monitor**, High-resolution display for detailed work and reduced eye strain.
- ✓ **HP Laptop**, Reliable performance for daily tasks.
- ✓ **Wireless Keyboard & Mouse**, Clutter-free, responsive setup.
- ✓ **Noise-Cancelling Headset**, Crystal-clear calls and immersive audio.

Hybrid Work Bundle *Stay Connected Anywhere!*

For professionals who split time between home and office, a flexible and portable setup is essential. The Hybrid Work Bundle is designed to ensure seamless transitions, enabling you to work efficiently wherever you are. Your typical Hybrid Work bundle might include*:

- ✓ **Philips Portable Monitor**, Full HD, lightweight display for dual-screen productivity.
- ✓ **HP Laptop**, Performance and portability in one device.
- ✓ **Compact Wireless Keyboard & Mouse**, Hassle-free remote work.
- ✓ **Lightweight Headset**, Comfortable for all-day wear and virtual meetings.

Office Bundle *Power Up Your Workplace!*

Maximise efficiency and comfort in your office environment with a high-performance setup. The Office Bundle is built to enhance productivity, collaboration, and long-term comfort for demanding workloads. Your typical Office Bundle might include*:

- ✓ **Philips 4K Docking Monitor**, Ultra-clear visuals with USB-C docking.
- ✓ **HP Laptop**, High-speed performance for demanding workloads.
- ✓ **Ergonomic Keyboard & Mouse**, Designed for long hours of comfort.
- ✓ **Premium Headset**, Professional sound quality for calls and meetings.

Philips Key Features

When choosing Philips as your monitor brand, several important features set it apart from others, including:

- Remote Working – Philips USB-C monitors enable seamless productivity.
- Plug & Play – Easy docking for workflow efficiency.
- Sustainability First - Eco-friendly design with energy-efficient materials
