

Professional Headsets for Busy University Teams

When your day is filled with helping students, managing calls, and collaborating across departments, having a reliable headset is essential. Jabra's Evolve and Engage series are designed to keep university staff sounding clear and focused, even in the most hectic office environments.

- ✓ Jabra headsets feature advanced microphones that reduce background noise and provide clear audio.
- ✓ Ideal for professional conversations with students, colleagues, or external partners.
- ✓ Available in both wireless and corded models to fit different workflows.
- ✓ Easy to set up and compatible with Microsoft Teams, Zoom, and other platforms.
- ✓ Designed to help users focus on supporting students.
- ✓ Trusted by over 30 million professionals, including education staff worldwide.
