

EVOLVE3 75

The step-up

EVOLVE2 75

EVOLVE3 75

AI-enhanced voice clarity in an ultralight, on-ear fit

WHAT'S NEW & BETTER?

Audio*

With Jabra ClearVoice® microphone technology and hideaway boom arm
Active Noise Cancellation (ANC)
360° busylight, visible from all angles

Enhanced AI-powered Jabra ClearVoice™ for **pin-sharp voice clarity**

Enhanced Spatial Sound externalizes the sound, making it feel like the person on the other end is sitting in front of you - **reducing fatigue during long sessions or back-to-back calls**

Rich, high-fidelity sound for music and media—driven by LC3 audio

Our best-ever noise cancellation for deeper focus anywhere

Appeal

Same Jabra quality and durability
All-day comfort, with soft memory foam

New **sleek, modern, microphone arm-free** design with uncompromised voice clarity

Featherlight at just 180g—that's **lighter** than its predecessor, Evolve2 75

Foldable design with a compact travel pouch slips easily into any bag.

AI

No built-in AI features

AI-ready with more than 9 out of 10 word accuracy for voice prompts, and **seamless Gen AI integration**

Assurance

Assurance
18hrs battery life (with ANC and busylight on)
Dual connectivity
Device management with Jabra Direct & Jabra Plus
Personalization with Jabra Plus
TCO certification

Up to **22 hours of crystal-clear calls** or an **incredible 110 hours of music** on a single charge
Get **5 hours of power in just 5 minutes** with our rapid charge technology

Built for what's next: **sustainable, replaceable parts**, Bluetooth Low Energy

Bluetooth® Fast Pair and dual connectivity for effortless set-up

Remote management, end-to-end encryption and enterprise-grade

New Jabra Plus mobile/desktop app for customizable audio and fewer IT tickets

TCO 10 certification
